

YMCA OF HONG KONG CHRISTIAN COLLEGE
STUDENT ACTIVITIES SUPPORT GRANT
ANNUAL EVALUATION REPORT 2023 – 2024

A. Annual Review for the Student Activities Support Grant

The major achievements during the 2023 – 2024 academic year in relation to the major concerns in the Annual Development Plan were as follows:

Major Concern: To support and enrich student learning experiences by providing different school activities after school.

After the allocation of the School-Based After-School Learning & Support Grant (SASLSP) for the needy families on full support, the school has already supported most of the expenditure. Therefore, the Student Activities Support Grant was not applicable.
