APPLICATION NOTES FOR 2026 – 2027 ADMISSION

1. General Notes

- (i) The school uses English as the Medium of Instruction (EMI). Only Chinese-related subjects are taught in Chinese.
- (ii) The average class sizes are shown in the table below:

<u>Level</u>	<u>Class Size</u>
Form 1 to 4	About 24 – 29
Form 5 to 6 (DSE & GCE)	About 17– 26

Most subjects, however, are taught in smaller groups of about 20 students because classes are divided into sets.

- (iii) The school does **not** participate in the Government's Form 1 or Form 4 Secondary School Place Allocation (SSPA) System. The school admits students directly. After applicants have been interviewed, **confirmed places can be offered**.
- (iv) All Forms 1 – 6 students are required to bring a MacBook for lessons.

2. Chinese Language

- (i) All students are required to study Chinese from Form 1 to Form 6 as a second language. The School-based Chinese Programme caters for the needs of students with different Chinese language learning backgrounds. The aim of this programme is to help students to gradually master the Chinese language skills needed for their future lives and for higher education, as well as developing a deep appreciation of Chinese culture.
- (ii) Please refer to the School-Based Chinese Programme Information Sheet' for more details.

3. **Information about School Fees**

(i) **Application Fee**

An application fee of HKD100 must be paid when applying for a place in the YMCA of Hong Kong Christian College. Please note that your online application will be processed after the payment was made.

(ii) **School Fees**

The proposed annual school fees for the **2026 – 2027 school year** are shown in the table below. (Please note that these fees are subject to approval by the Education Bureau.)

Form	Local Students ¹	Non-local Students ²	Payment Terms
Form 1	HKD63,000	School fee + differential fee of approximately HKD75,000 – HKD88,000	10 Installments (from September to June)
Form 2	HKD61,000		
Form 3	HKD60,000		
Form 4	HKD58,000		
Form 5 DSE	HKD59,000		
Form 6 DSE	HKD57,000	HKD88,000	5 Installments (from September to January)
Form 5 GCE	HKD65,000		10 Installments (from September to June)

¹ **Local Students**

Students holding a Hong Kong Birth Certificate with a Hong Kong permanent resident status as "Established", a Hong Kong Identity Card (except for conditional stay), or a valid travel document with a dependent visa endorsed by the Immigration Department are classified as "local students" who are eligible for the government subsidy.

² **Non-local Students**

‘Non-local Students’ are defined as those who require a student visa to study in Hong Kong. According to EDB policy, non-local students are not eligible for the government subsidy. Non-local students are required to pay a differential fee, which is composed of the regular school fee and an additional fee equal to the amount of government subsidy. (NB. The approximate amount of the differential fee shown in the table above is for the current year. The differential fees for all forms will be adjusted upwards once the EDB announces the exact amount of the subsidy.)

- (iii) The school fee for Form 1 students will remain unchanged for 2 years (i.e. Forms 1 and 2). The school fee will be adjusted upwards by approximately 6% – 9% in Form 3 and then again in Form 5.

(iv) **Other Fees**

An Advance Payment of \$7,500 is collected every year to cover miscellaneous fees, including the Student Handbook, Life-wide Learning Camp Fee, Enrichment Week and the cost of student activities incurred during the school year. When a student graduates or withdraws from the school, the remaining amount will be refunded to parents.

The Advance Payment is collected when students register for the next school year. This payment is usually collected in June.

Please note that part of the Advance Payment is used to cover the cost of activities during Enrichment Week in June. There are lower cost options available during this week, but it is unlikely, however, to be sufficient to cover the cost of overseas trips or activities. Students usually need to pay between HKD500 and HKD8,000 for trips and activities, depending on the destination.

(v) **Payment Methods**

School fees must be paid via **Direct Debit** between the fifth and the tenth day of each calendar month from the parents' designated local bank account. A message containing the date of the bank transfer will be sent to parents' registered E-mail address at the beginning of each month.

(vi) **School Fee Remission**

The school is able to provide some assistance for families who may have financial difficulties. More information can be downloaded from the school website <https://yhkcc.edu.hk/admission/fee-remission-scheme/objective-eligibility-criteria-assessment/>.
